BEST SELLERS

MUD KITCHEN

\$999

A dramatic play essential for your natural playground. The mud kitchen comes with attached backing, storage shelf, single sink, and tool storage.

OUTDOOR TABLE

\$832

Available in toddler and preschool heights. Great for all outdoor centers with stump seating available to add on.

ART EASEL

\$1955

A quality staple piece in your outdoor art center. Includes 8 paint-cup storage and two magnetic paper holders. Crafted with pressure-treated lumber for long-term outdoor use.

PIKLER CLIMBER

\$1395

Our infant and toddler must-have! Includes one triangle frame climber with one adjustable ramp. Pickler and Plank are suited to be kept out of the weather, especially in wet conditions.

STAGE & ARCHWAY

\$3750

Designed to spark imagination and self-expression, the cedar stage creates a dedicated space for dramatic play. The inviting colored glass archway casts playful light inspiring storytelling, performances, and creative role play.

PRESCHOOL PLACE + PLAY SETS

Our Place + Play Sets are complete and engaging natural outdoor centers. These sets bring more playful, sensory-rich learning to your outdoor space. Delivery and set-up fees are included.

WATER PLAY

HAND PUMP & SLUICE

Elevate your creek bed or water courses with a hand pump! This feature is outfitted with a reservoir and anchored pump box. The reservoir has plumbing fixtures that attach to a basic garden hose for easy use!

HAND PUMP & RESERVOIR
\$5575

1-TIER WATER SLUICE
\$1245

ACTIVE PLAY STRUCTURES

Movement is essential to early childhood development. Our active play structures are designed to strengthen growing bodies while building confidence, coordination, and resilience. These elements encourage safe risk-taking, whole-body movement, and active outdoor engagement.

DOUBLE HANG BARS

Stimulate fine motor and upper body strength

\$1100

A-FRAME TUNNEL AND CLIMBER

Climbing builds balance, strength, and problem-solving skills

\$2850

PLAY HOUSES

CEDAR PLAYHOUSE AND INFANT NOOK

Create outdoor environments where imagination, collaboration, and discovery thrive. Our playhouses are thoughtfully designed for early childhood settings, blending natural beauty with purposeful functionality.

PLAYHOUSE WITH MUD KITCHEN

Thoughtfully designed with multiple entry points, this spacious playhut invites movement, collaboration, and endless creative play.

\$9200

\$15,450

INFANT NOOK

A gentle introduction to outdoor play, this small playhut creates a nurturing corner where curiosity begins and confidence grows.

\$2500

ACCOMMODATIONS

ACCESS RAMP PLATFORMS

Every child deserves meaningful access to outdoor play and exploration. Our accommodation features are thoughtfully designed to create inclusive environments where all children can participate, engage, and thrive. Built with the same durable cedar craftsmanship as our core structures, these elements seamlessly integrate into your outdoor classroom while ensuring accessibility, safety, and independence.

\$2962

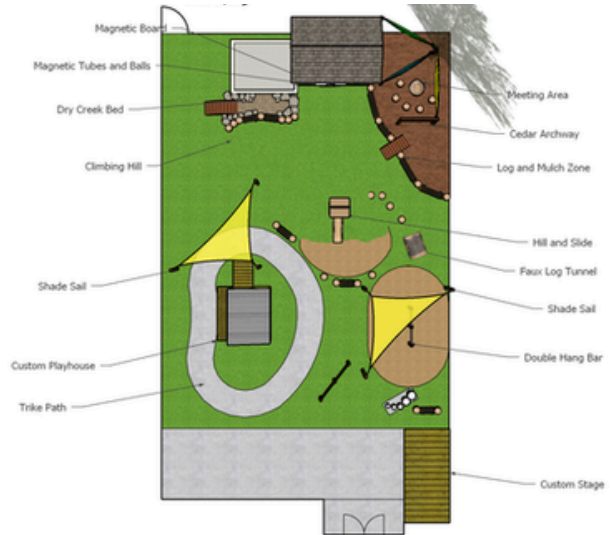

FULL DESIGN & INSTALLATION

ONSITE CONSULTATION

Schedule an onsite consultation to assess your current space and discuss your ideas and vision for your nature playground. This consult includes a basic layout and pricing. A full design and rendering is an additional service.

\$500

MASTER DESIGN

This service includes a site visit and consultation as well as a full 3D rendering by our master designer. This option works best when you will be fund-raising, presenting to a board, or phasing out installation over time.
